It will be a holiday for the students on September 5<sup>th</sup>. The Teachers' Day will be celebrated in the school on Monday, September 4<sup>th</sup>. It will be a regular working day.
- The preliminary round of competitions, titled "The Ignited Minds" was held on 26<sup>th</sup> of August. The list of students qualified for the final round for all competitions was intimated to the concerned students and the same with further instructions was sent to the concerned parents through circular. Parents are requested to prepare the children for the final round along with the given instructions.
- My sincere appreciations to all the students for registering their name for different Competitions this year. Obviously, not everyone who enters the competition will win but everyone gets an opportunity to challenge oneself. Winning is not important but participation.
- Students who missed the preliminary round on account of being sick or on any emergency case, may be considered for a second chance. Such parents can write a letter to the Principal on Monday, September 4.
- THE IGNITED MINDS will be celebrated from Monday, September 11 to Thursday, September 14. There will not be regular class on these four days. Attendance for all students is mandatory that the non-participants must attend the performance of others as an opportunity for self-learning and growth.
