RECOGNISED BY THE GOVERNMENT OF KARNATAKA

Circular 16, 2024 - 25

Dear Parents,

GOOD NEWS FOR THE PARENTS

PRIMARY SECTION

THE JUNIOR ORATORS

There is a positive correlation between students' self-confidence and their public speaking performance. Students who meet this correlation at their younger age, are tangibly found good at academic life. It is a gradual process. Some students take more time than the others.

To achieve this end, the Primary Section (I to IV) is given an opportunity to SPEAK FOR ONE MINUTE (PEP-TALK) in the presence of their parents in the school. The entire class is divided into four to five groups depending upon the class strength. The parents of each group which their ward belongs to can attend the PEP TALK of their wards as per the schedule. Kindly check the groups and the schedule and see the group which your ward belongs to.

The topics given for the PEP-TALK are for your reference. You are free to select any topic at the interest and the age appropriate to your ward. The duration for the speech is only for ONE MINUTE in English only. Teachers WILL NOT guide the students to prepare and present the PEP-TALK.

It is a big responsibility for the parents to train the child. A little of your time and effort may turn into greater achievement for the child in life. Parents should not take it for granted, because the school is trying different strategies to ensure that every child becomes a good learner and leader in life.

The information regarding the groups and schedule for the event will be individually sent to the parents of all Classes on Monday (2 - 9 - 24).

Kindly train your child for the event, THE JUNIOR ORATORS. Sacrifice your time, energy and anything you hold important, for your little child. Make this event an important event in the life of your child. It all depends on you. All the best!
