Subject: Announcement of New Leadership at St. Francis High School

Dear Parents and Students,

I am pleased to announce that, effective June 2, 2025, Brother Antony D. Vayalil will assume the role of Principal and Brother Balaswamy as Vice-Principal at St. Francis High School.

As Brother Antony embarks on this new chapter, I extend my heartfelt prayers and best wishes for his continued success. I am confident that under his guidance, St. Francis High School will continue to flourish and uphold its tradition of excellence.

Leadership is not about filling shoes. It is about walking with purpose. And I know that Brother Antony Vayalil and Brother Balaswamy will walk beside you - not ahead of you, not above you—but with you, just as a true Franciscan leader should.

As I prepare to move forward from my role as Brother Principal, I do so with peace in my heart—not only because of what we have built together, but because of who will continue the mission alongside you.

I kindly request all members of our school community to extend their unwavering support and cooperation to Brother Antony and Brother Balaswamy in their new role and leadership. Together, let us strive to provide our students with an environment that promotes academic rigor, moral integrity, and holistic growth.

Thank you for your continued support.

Warm regards,

Brother - Sanil Tharayil
