RECOGNISED BY THE GOVERNMENT OF KARNATAKA

Circular 26, 2024 - 25

Dear Parents,

November 7, 2024

## IMPORTANT CIRCULAR - A CONCERN FOR THE BOYS

We believe that a neat and well-groomed appearance is essential for the development of positive self-esteem and discipline, and it significantly impacts a student's personality and future opportunities. If you believe this, I can see the difference among the boys from Monday onwards.

### FOR YOUR ATTENTION AND ACTION:

- 1. Haircuts**  
Some boys are attending school with extreme fashion and military haircuts, while some do not appear to have regular haircuts. Ensure that their hairstyle is appropriate for a school setting.
- 2. Uniform Appearance**  
Some students come to school without properly ironed shirts or in a careless manner. Ensure that your child leaves home looking smart.
- 3. Personal Hygiene - Parents are asked to ensure the following:**
  - Fingernails and toenails are trimmed and clean.
  - Ensure that the inner wears, such as banyans, is clean.
  - Ensure that the students wear a banyan inside their shirts.
  - Students should wear polished shoes.
  - Oral hygiene is equally important; ensure your child brushes their teeth daily and maintains good dental health.
- 4. General Presentation**  
The way the students present themselves speaks volumes about their home, family values, values that the parents hold on, self-discipline and respect for their learning environment.

We kindly ask for your cooperation in reinforcing these standards at home, ensuring that your child embodies the values of cleanliness and neatness. Let us work together to foster an environment that promotes success and confidence in our students.

Thank you for your attention to this important matter. I appreciate your continued support and involvement in your child's education.

I love the children who report to the school neatly and well-groomed. I admire them every day. When I look at the child, I get to know the family they come from.
