- There are two months from now to commence the Board Examination. Adequate and systematic preparations will lead to expected results in the examination.
- Preparation for the board exam requires a well-structured study routine that optimizes time, covers the syllabus comprehensively and ensures effective revisions.
- A 60 - day study plan is a valuable tool for students to streamline their preparation, manage time effectively and approach the exams confidently.
- Thirteen years of preparations and perspirations must produce good results both in examination and more importantly in life.
