

ST. FRANCIS HIGH SCHOOL

RECOGNISED BY THE GOVERNMENT OF KARNATAKA

Circular 37, 2024 - 25

Dear Parents,

FRANCIS HABBA

January 09, 2025

With great joy that we personally invite you to THE PHOENIX - a movie based on a real-life story that deeply moved and united us five months back. This remarkable presentation, brought to life by our children, carries a profound message for every one of us.

This is more than just a film; it's a reflection, an inspiration, and a call to action. I encourage you not to miss it - it's truly worth watching and listening to.

The event will also include a brief formal program with only two short speeches - one by our Chief Guest and the other by our Provincial. The rest of the evening belongs to our students, whose performance will leave a lasting impact.

We believe every parent must witness this presentation, as it highlights the kind of training and values every child deserves in the coming days/years to come.

We invite your family members too. Take your seats latest by 4:45pm, if not seats not guaranteed.

Look forward to meeting you all at this meaningful event.
