

Dear Parents,

The homework as scheduled for the students by the subject teachers are intended to be carried out by the students during non-school hours. The students are expected to attend the homework regularly. The homework as mentioned doesn't cover all the subjects especially in the lower classes, however, the students must be self-responsible in reading and revising the day's lesson regularly even if homework is not given for the day.

Parents are kindly instructed to monitor the child / children and make sure that the children complete their homework, revise the lesson, engage themselves in improving their writing and reading skills.

Please ensure that your child cultivates the habit of reading her / his lessons daily at home. Every child must revise the lesson taught in the class every day and not only engaging himself / herself in completing the homework and activities at home. This will help her / him to easily understand the lesson and also remember it well.
