Circular 02, 2022,

CLASSES I TO X

Dear Parents,

June 13, 2022

- Formative Assessment – I begins on June 27, 2022 for Classes I to IV and June 28 for Classes V to X. Syllabus for FA – I will be sent to the children on June 18, 2022. Revision for the Assessment will begin on Wednesday, June 23, 2022. School will be dispersed at 12.00 noon during the exam days. Parents are strictly advised to ensure that the children spend quality time to prepare for FA-I.
- Special Class for Class X commences with effect from Wednesday, June 15, 2022 from 7.45 am to 8.25 am.
- Every child must spend adequate time in reading and revising the lessons taught in the class daily at home, apart from doing home works. Home works as scheduled will be sent through school mobile app by the respective subject teachers after 4.00 pm from Monday to Saturdays for Classes I to X. Parents must ensure that the children do their home works daily for the following day. It allows children to revise classroom learning and improves the habit of self-study.
- Children are instructed to bring books strictly as per days' timetable. Parents in the Primary Section need to ensure their kids pack their school bags strictly as per the day's timetable. The subject teachers will give guidelines of what to bring to the class especially for the subjects which require different notebooks.
- Parents will not be allowed to meet teachers during the school timing unless deemed emergency. Parents can meet the teachers on working Saturdays, if necessary, from 8.30 am to 9.00 am.
- Regular attendance is compulsory and students should not be absent unless they are seriously sick.
- Parents are most welcome to meet the Principal from 9.00 am to 10.30 am during working days. The concerns/issues of the parents-concerning the studies, education, and welfare of our children are appreciated in writing always.
- Parents are kindly advised to motivate the children to take part in the competitions/activities in the school. Participation is more important than winning. The important thing is not to win, but to take part. Failure is not a bad thing. It might feel uncomfortable but it is a wonderful opportunity to learn.
- Children are strictly not allowed to wear watch and bangles in the school.
- Parents are strictly instructed to ensure that the children enter the school premises in time. It is seriously viewed that a few students are regularly late to the class.
- Parking of two-wheelers at the entrance of our school, blocks the movement of children safely. The vehicles belong to some parents who drop and pick their wards. I request the concerned parents to be kindly sensitive and wise, if not you will be held responsible because
