

DAILY/WEEKLY SCHEDULE FOR THE HOME WORK

Dear Parents,

1. The weekly homework as scheduled for Classes I to X by the subject teachers of respective classes are intended to be carried out by the students during non-school hours. The students are expected to attend the homework regularly.
2. The homework as mentioned doesn't cover all the teaching subjects especially in the lower classes, however, the students must be self responsible in reading and revising the day's lesson regularly even if homework is not given/asked for the day.
3. Parents must ensure that the students follow the schedule for the homework without fail and do the task before reporting to the school on the next day or as directed by the subject teacher.
4. Parents must monitor the child/children and ensure that the children complete their homework, revise the lesson, engage themselves in improving their writing and reading skills on a regular basis.
5. Please ensure that your child cultivates the habit of reading his/her lessons daily at home. Every child must revise the lesson taught in the class every day and not only engaging himself/herself in completing the homework and activities at home. This will help him/her to easily understand the lesson and also remember it well.
6. The homework as scheduled for Classes I to X will be sent to the parents during the working days latest by 4.30 pm. Parents must show it to the students to do the necessary on a daily basis.
