CAMPUS WALK AT ST. FRANCIS

We are excited to announce that Grade I and II students will be embarking on a campus walk within our school premises on Tuesday, 11th November 2025, during the 3rd, 4th, and 5th periods.

- **Places of visit:** degree college- Aviation, PU college, ITI, Carpentry section, press, bank, ICSE School.

This activity aims to provide a fun-filled experience for our students, allowing them to explore our campus, learn about various facilities, and bond with their peers. School timings will remain the same, and students need not bring books for the mentioned periods. They must come neatly dressed in their regular uniform.

We look forward to an engaging and creative campus walk filled with laughter, discipline, and learning!
