"YOUNG ENTREPRENEURS" CLASSES III & IV

Dear parents,

Calling all young artists and entrepreneurs!

We're excited to announce a special activity where your child can showcase their creativity and marketing skills. On 17th November, we'll be hosting a "Young Entrepreneurs' Market" where students can sell their handmade products, artwork, or innovative creations made from readily available materials at home.

Activity Details:

- Date: 17th November (Monday)
- Time: 1st & 2nd periods
- Venue: Classroom

What can you sell?

- Artwork (drawings, paintings, sketches)
- Best out of waste (toys, decorative items, etc.)
- Handmade crafts (jewelry, candles, etc.)
- Innovative creations (robots, models, etc.)

How to participate:

1. Confirm your participation to your class teacher by 13th November.
2. Create your product using materials available at home.
3. Price your product reasonably
4. Practice your marketing skills - be ready to tell people about your product and why it's special.
5. Bring your products to school on 17th November.
6. Set up your things in your classroom in the designated place.
7. Winners will be awarded.

Guidance for Parents:

- Encourage your child to brainstorm ideas and think creatively about products they can make and sell.
- Help your child to set a reasonable price for their product.
- Practice marketing skills with your child, such as introducing their product and negotiating prices.
- Encourage your child to take part in this wonderful opportunity.
- Confirm the participation of your child to the class teacher through the handbook by 13th November.
- students need not bring the 1st and 2nd period books

We look forward to seeing your innovative products and marketing skills on display. Don't miss this opportunity to shine and have fun!
