

ST. FRANCIS HIGH SCHOOL

RECOGNISED BY THE GOVERNMENT OF KARNATAKA

CIRCULAR 20, 2025-26

Date: 19-12-2025

Dear Parents/Guardians/Students,
Warm greetings from the Francisian family!

As the gentle glow of Christmas lights fills our hearts, we are reminded of the timeless values this season brings — love, hope, gratitude, and togetherness. Christmas invites us to pause, appreciate our blessings, and share kindness with everyone we meet. May this festive time strengthen our bonds as a Francisian family and inspire us to spread joy in ways both big and small.

We extend our heartfelt appreciation for your unwavering support and collaboration. Your trust, encouragement, and active involvement have been instrumental in ensuring the effective progress of academics, co-curricular activities, and evaluations. With this continued partnership, we remain committed to nurturing our students and helping them achieve higher levels of excellence and success.

Events of the month of October, November & December

• Traffic Awareness program

The traffic awareness program was conducted to educate participants about the importance of road safety and responsible behavior while using public roads. The program highlighted traffic rules, safe driving practices, pedestrian safety, and the use of protective gear, aiming to reduce accidents and promote discipline on the roads.

• Kannada Rajyotsava

Kannada Rajyotsava is celebrated every year on November 1st to mark the formation of the state of Karnataka in 1956, when all Kannada-speaking regions were unified into one state. It is a day of pride and cultural celebration for Kannadigas, honoring the rich heritage, language, literature, and traditions of Karnataka. The occasion is marked by hoisting the Karnataka flag, singing state anthems, cultural programs, folk dances, and performances across the state.

• Science Conference

A science conference is a platform where students come together to share knowledge, present their findings, and discuss recent advancements in various fields of science. It encourages collaboration, innovation, and critical thinking through keynote speeches, paper presentations, workshops, and interactive discussions.

• Children's Day

The day highlights the importance of nurturing, protecting, and educating children so they can grow into responsible and confident citizens. School organized cultural programs, fun activities, and events specially planned for children, making the day joyful and memorable while reminding society of its duty to support every child's happiness and development.

- **Educational Trip to Mysore for Xth Standard.**

An educational trip to Mysore for 10th standard students is a valuable learning experience that combines education with enjoyment. During the trip, students visited historical and cultural landmarks such as – Srirangapatna, Tippu Sultan's Summer Palace, Sri Ranganathaswamy Temple, Ranganathittu Bird Sanctuary, Mysore Palace, Mysore Zoo, Art Gallery, St. Philomena's Church, Brindavan Gardens, and Chamundi Hills. The trip helps students to encourage teamwork and discipline and provides a refreshing break from classroom learning while creating memorable experiences with friends and teachers.

- **Magnificat**

The Magnificat Music Competition is an event designed to encourage and showcase musical talent among young performers, often emphasizing creativity, technical skill, and expressive performance. The competition provides musicians with an opportunity to gain performance experience, receive professional feedback, and build confidence while celebrating a shared passion for music.

- **Faculty Development Program**

A faculty development program is a structured initiative designed to enhance the professional skills, knowledge, and effectiveness of teachers and academic staff. It focuses on improving teaching methodologies, research capabilities, leadership skills, and the use of modern technologies in education. Through workshops, seminars, training sessions, and collaborative activities, faculty members stay updated with current trends and best practices in their fields. Such programs support continuous learning, improve the quality of education, and contribute to both personal growth and institutional excellence.

- Individual Championship – The Ignited Minds

The Individual Championship of Ignited Minds celebrates the strength of a single voice and the brilliance of an idea that dares to shine. It honors students who stand confidently on their own merit, showcasing exceptional talent across cultural and literary platforms. Each performance reflects originality, courage, and thoughtful expression, enriched by passion and perseverance. This championship nurtures intellect, creativity, and character while encouraging independent thinking and fearless self-expression.
