PROSPECTUS

ST. FRANCIS OF ASSISI

REV. BRO. PAULUS MORITZ

OUR INSTITUTION

St. Francis High School was founded on 1st June 1990. The school is run by the Congregation of the Missionary Brothers of Saint Francis of Assisi (CMSF). This congregation was founded by Rev. Bro. Paulus Moritz, based on the life and teachings of Jesus Christ. The members of this congregation follow the spirituality of St. Francis of Assisi.

OUR VISION

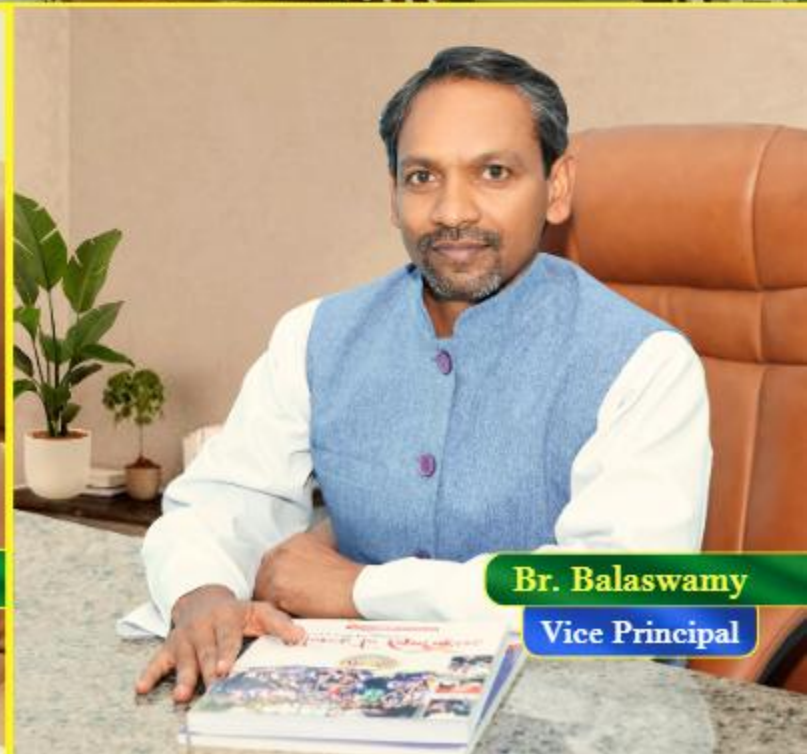

Our vision is to strive together to nurture and foster children, teaching them self-reliance, honesty, responsibility, and free and fair thinking so that they become life-long learners and make a positive difference in their own lives for a better tomorrow.

OUR MISSION

Our mission is to explore the latent talents in children, provide them with ample opportunities, help them learn the most important values of life, promote their holistic development, and prepare them academically to face the world in an environment that respects Indian culture and ethics.

OUR INSTITUTION

St. Francis High School, a Christian Religious Minority Educational Institution, was founded on 1st June 1990 with a small batch of students. At present, there are around 1,283 students and 105 staff members. The school has earned a very good reputation in a short span of time. It is situated in a prominent locality of the Garden City. The school follows the SSLC syllabus and has classes from Nursery to Std X. The curriculum and methodology we have adopted aim to educate and equip children to face the challenges of today's competitive and fast-growing society.

STAFF

Children are born with wings; teachers help them fly. Teachers play a vital role in shaping the lives of students. They are best known for educating and guiding the children entrusted to their care. Our school has a team of dedicated and well-trained teaching and non-teaching staff.

OUR CURRICULUM

Our school follows the SSLC syllabus, with a broad and balanced curriculum designed to create motivated learners. It nurtures not only the intellectual growth of students but also their spiritual, moral, social, and cultural development.

LANGUAGES

First Language: English

Second Language: Kannada

Third Language: Hindi

CORE SUBJECTS: Mathematics, Science, Social Science, Environmental Science (EVS)

ADDITIONAL SUBJECTS: Catechism/Value Education, Art, Craft, General Knowledge, Physical Education, Computer Studies, Public Speaking.

We also organize a variety of intra- and inter-school competitions to encourage holistic growth.

FACILITIES

CLASSROOM

At St. Francis, we have spacious, well - lit and ventilated modern classrooms. This good learning ambience creates the mood for learning and listening in the minds of students. Interactions between the teacher and the students are very much active, which motivate and lead the students to achieve higher aims and goals.

LIBRARY

The Library at St. Francis High School is a centre of information to all the students, enabling them to make use of advanced facilities to gain new insight into the vast array of textual topics thereby encouraging them to write reviews. Thus, it promotes in them the habit of reading books which helps them to acquire knowledge and to derive the pleasure of reading.

COMPUTER LAB

The Computer Lab is a world of exploration for the students with intellectual and creative minds. The Computer Lab is well designed with an emphasis on modernity, cleanliness and safety, having all the required best systems to browse and search out, thus one can plunge into the pool of knowledge.

SCIENCE LAB

The lab plays an instrumental role in developing practical thinking among students. They are given opportunities for experiential and hands-on learning, which enables them to understand complex worldly and educational concepts in an evaluative manner.

SCHOOL BUS

Safe and reliable transport facilities are provided for students. They can avail the service by registering their details, including boarding point and bus route.

SPORTS AND GAMES

We believe in the need for a 'Sound Mind in a Sound Body'. 'Sports' is an integral part of the school curriculum. Sports nurture a wide variety of human qualities. A vast space has been earmarked for all our outdoor games such as **Basket Ball, Foot Ball, Throw Ball, Athletics and Handball etc.** Sports is a pivotal part of our system.

CO - CURRICULAR ACTIVITIES

NCC

Our NCC training program fosters discipline, leadership, and patriotism in students. Through drills, camps, and community service, cadets gain confidence, teamwork, and a strong sense of responsibility towards the nation.

DANCE

Dance is a joyful blend of art and exercise. It nurtures creativity, builds self-confidence, and promotes overall growth by balancing physical fitness with emotional expression. Through dance, students learn rhythm, grace, and discipline. It improves their physical well-being, sharpens the mind, and instills confidence to express themselves freely

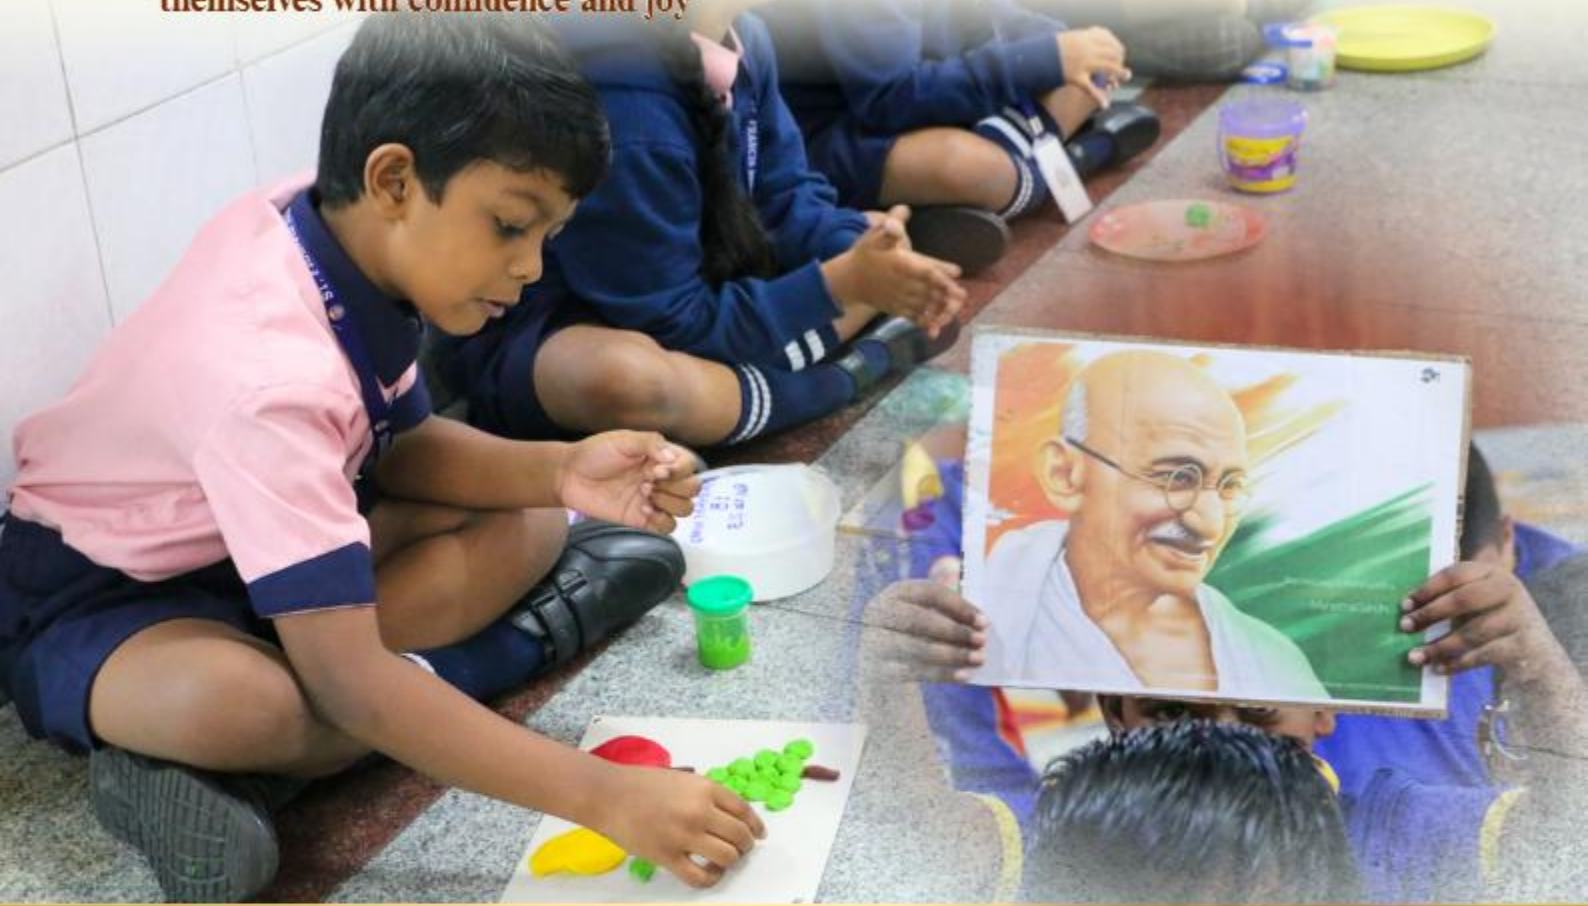

SINGING (WESTERN MUSIC, CARNATIC MUSIC, GUITAR & KEYBOARD)

Our school provides a nurturing environment where students can explore and develop their vocal and musical talents. With dedicated music sessions and performance opportunities, we inspire creativity, confidence, and a lifelong love for music.

ART AND CRAFT

Art and Craft help children explore their imagination and creativity. By working with simple and waste materials, they learn to design, innovate, and express themselves with confidence and joy
